SIR:

I, **KIM Sung Soo**, hereby declare and say as follows:

1. I am one of the named Inventors in this Application.
2. I am a co-author of a publication entitled **Cyclosporin blocks muscle differentiation by inducing oxidative stress and by inhibiting the peptidylprlyl-cis-trans-isomerase activity of cyclophilin A: cyclophilin A protects myoblast from cyclosporine-induced cytotoxicity? *The FASEB Journal* express article 10.1096/fj.02-0060fje. Published online August 7, 2002.**
3. Sung Soo KIM, Jin Hwa LEE, Feng HONG, and Joo Hun HA are the only co-inventors of the subject matter which is disclosed in this publication.

4. In addition to those listed in paragraph 3, above, there are four other co-authors of the cited article: Jae-Woo SONG, Su Jac LEE, Heekyoung AHN and Jeong Je CHO. While each of these individuals are co-authors of the publication, they are not co-inventors of the subject matter described therein.
5. The four individuals listed as co-authors in the cited publication were working under the direct supervision and control of one or more of the individuals listed by paragraph 3, above and are not inventors of the subject matter described therein or in the presently pending patent application.

It is declared by undersigned that all statements made herein undersigned's own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under section 18 U.S. Code 1001, and that such willful false statements may jeopardize the validity of this Application or any patent issuing thereon.

KIM Sung Soo

Dated: This 22th day of November 2006.
